October 11, 2018

Dear Community Member:

As part of the graduation required Senior Integrated Project (SIP) class, students were given the opportunity to choose a subject that would be a learning stretch for them. Their chosen subject must then lead students to the completion of a project and a corresponding research paper. The final step in this process is a presentation of their project and research to a panel of judges. We would like to invite you to be a panel member in the evaluation of these final presentations.

Forty-one seniors will be presenting this trimester; presentations will take place on November 15 and 16. At this time, we are looking for volunteers who can donate their time as an evaluator. Each student presentation should take approximately 10 minutes. Evaluation forms will be provided and student portfolios will be available for your observations.

If you are interested in being an evaluator, please complete the form on the back of this page and mail it to Amy Sholtz at Chesaning High School, 850 N. Fourth Street, Chesaning, MI 48616, or simply send an email indicating the times you are available. You can also contact the school via telephone with your availability. Any questions can be directed to Amy at 845-2040, or to: asholtz@chesaning.k12.mi.us.

Thank you for your time and consideration in being a part of this final step in our senior students' academic career. If you should have any further questions related to the SIP project, please feel free to contact me at (989) 845-2040.

Yours In Education,

Kim Vincke, Principal
Chesaning Union High School

Please respond by Monday,
November 5

Schedule of Senior Presentation

Thursday, November 15 and Friday, November 16
