Dear Event Contributor,

After 2017, our former parks and recreation committee mutually agreed to dissolve our group as it had been for the past four years. This decision was made to further enhance the growth and evolution of our community driven programs. These programs would not be possible without your generous support. A few noteworthy achievements are the 18-hole disc golf course, our newly installed river trail, the new roofs on the park pavilions, and a Showboat Park that has never looked better!

The kids spring sucker tournament, the 5K run, and the Halloween camping weekend have become a staple in the community of Chesaning. That said, we are pleased to announce that our core members have joined the Chesaning Kiwanis Club and will be sponsoring and promoting our same momentous events again this year. We look forward to your continued sponsorship as we harness the spirit of our community in not only the growth of our current programs but also with an open mind towards improvements and future opportunities.

Together, we embrace 2018! Onward and upward!

Thank you again, and we look forward to your continued support.

Sincerely,

The Chesaning Kiwanis Club
