**THE STATE BANK PROMOTES NEW ASSISTANT COMMUNITY OFFICE MANAGER**

February 5, 2019, Fenton, MI – The State Bank is proud to announce the promotion of Lisa Stevens as the Company’s newest Assistant Community Office Manager, serving the Birch Run branch location. Lisa will be responsible for managing day-to-day retail banking operations, including the interaction with business partners to expand relationships with our existing customers, as well as nurturing new relationships in the Birch Run market

Lisa has been with the bank since July of 2011, first as a teller with Community State Bank, and continuing on with The State Bank since the acquisition in 2017. While she began at the Birch Run location, most recently Lisa has assisted in overseeing the Burt location. This promotion will bring her back to the Birch Run market and allow her to apply her knowledge in a more fast-paced environment.

“I am excited to start my new role and get back to Birch Run. It is a growing community and I am looking forward to reaching out to the businesses and customers in the area,” said Stevens.

Stephanie Domina, Retail Banking Officer at The State Bank, states “Lisa is an experienced banker who is committed to excellent customer service! We are excited to bring her back to the Birch Run market and community.”

## **About Fentura Financial and The State Bank**

Fentura Financial is the holding company for The State Bank. It was formed in 1987 and is traded on the OTCQX exchange under the symbol FETM, and was recognized as one of the Top 50 performing stocks for 2015 on that exchange.

The State Bank is a full-service retail and trust bank headquartered in Fenton, Michigan. It has assets of approximately \$950 million. It currently operates fifteen full-service branches located in Genesee, Livingston, Oakland, Saginaw and Shiawassee Counties and loan production offices in Washtenaw and Saginaw Counties. The State Bank's commercial department provides a complete array of products including lines of credit, term loans, commercial mortgages, SBA loans and a full-suite of cash management products. The retail department offers personal checking, savings, time and IRA deposit accounts and all types of loan products including home equity, auto and personal loans. The residential loan department offers construction, purchase and refinance residential mortgage loans. The wealth management department offers a full-service suite of trust and portfolio management services. The aim of The State Bank is to become and remain "Your Financial Partner for Life." More information can be found at [www.thestatebank.com](http://www.thestatebank.com).
