Edward Jones Named One of the 2020 FORTUNE 100 Best Companies to Work For® by Great Place to Work® and FORTUNE Magazine

For the 21st time, Edward Jones is named one of the *FORTUNE* 100 Best Companies to Work For by Great Place to Work and *FORTUNE* Magazine. Edward Jones took the No. #7 spot on the prestigious list, the 16th year the firm has ranked in the top 10.

Great Place to Work®, a global people analytics and consulting firm, analyzed responses from more than 650,000 employees at Great Place to Work-certified(TM) organizations across the United States. The firm evaluated more than 60 elements of team members' experience on the job. These included the extent to which employees trust leaders, the respect with which people are treated, the fairness of workplace decisions, and how much camaraderie there is among the team.

"The 100 Best show the way forward," said Michael C. Bush, CEO of Great Place to Work. "These companies have created Great Places to Work for All - for everyone, no matter who a person is or what they do for the organization. As a result, they have built a path to realize the promise of artificial intelligence, gain strength from a diversity of perspectives, and thrive during downturns."
